

A day's excursion to Calvi, with wine tasting at a local vineyard and guided tour of the citadel.

Get to know all there is about the majestic Calvi citadel – built by the Genovese empire in the 15th century. The beautiful citadel dominates the yacht harbor and promenade of Calvi. Corsicans themselves say that Christopher Columbus was born inside the citadel, tag along and find out! A walk along the ramparts offers magnificent views and fun-facts about the Corsican history.

Here, we will get to savor a variety of local wines, liquors, aperitifs, charcuteries, and local specialties and of course the famous Corsican rosé wine which is especially popular on the island.
