

Challenge yourself and other guests in a game of the popular french sport petanque

On Wednesday, you will get the chance to challenge the guides in petanque, which is a variant of several old boules games. The modern game we will play is originated in France where the goal is to throw hollow metal balls as close as possible to a small wooden ball called a cochonnet or jack. Our guides have been practicing much at place Paoli with the old French men and have become true champions. So get ready for a real challenge!
