

# LEARN TO SURF

Guadeloupe has a wide range of nice surfing spots to offer. With a certified surfing instructor, you will be given the opportunity to learn the basics of this fascinating sport and learn to catch the waves. The activity suits both beginners and experienced surfers, it's the enthusiasm and motivation that counts, which fits the whole family.

Our partner has more than 10 years of experience in professional surfing and is looking forward to sharing his passion for the sport.
