

## A day's excursion to Calvi, with wine tasting at a local vineyard and guided tour of the citadel

Get to know all there is about the majestic Calvi citadel - built by the Genovese empire in the 15th century. The beautiful citadel dominates the yacht harbor and promenade of Calvi. The Corsicans claim that Christopher Columbus was born inside the citadel, tag along and find out! A walk along the ramparts offers magnificent views and fun-facts about Corsican history.

After the citadel, we continue the tour towards one of the most classical vineyards in the area, Orsini. Here, we will get to taste a variety of local wines, liqueurs, aperitifs, charcuteries, other local specialties and of course the famous Corsican rose wine which is especially popular on the island. Enjoy the stunning views of the fruit plantations, the mighty mountains, and the city of Calvi from the vineyard!
